RIFAT REZA RATUL

Norwich, NR5 8QR | +44 7424 486490 | rifatreza.rrr@gmail.com

Customer Service | Administration | Healthcare Experience

Available for Immediate Start | Open to Remote, Hybrid and Part-Time Opportunities

Professional Profile

Currently pursuing an MSc in Cybersecurity with Artificial Intelligence at the University of East Anglia. Alongside my studies, I am working as a Care Worker and have previous experience in compliance, onboarding and customer service roles. Through these positions, I have gained experience in handling documentation, maintaining accurate records, communicating with clients and customers, and working with confidential information. Comfortable working with people from different backgrounds, learning new systems and adapting to different environments. Looking for a remote or part-time opportunity where I can contribute, gain further experience and continue developing alongside my studies.
